

NORTHSTAR CONSULTING SERVICES

Ref: NSCS/SRL/2026/0911

Date: 11.09.2026

To,
The Head of Procurement,
Sundaram Retail Pvt Ltd,
Anna Salai, Chennai 600002

Sub: Submission of proposal against tender no. SRL/IT/2026/014 - Unified Customer Support Platform

Respected Sir/Madam,

With reference to the above tender, we are pleased to submit our proposal. Northstar has been implementing customer service systems for retail and FMCG companies for 19 years and has completed more than 60 such projects in India and the Middle East.

1. Our understanding and approach

We understand that Sundaram wants to bring its stores and contact centres onto one support platform. We propose to implement ServicePoint, a licensed platform we have deployed for many large retailers, configured to Sundaram's processes by our consultants.

2. Integrations

The SAP and Salesforce integrations will be finalised in a joint workshop after award. Interface details are to be confirmed (TBC) once we have access to Sundaram's systems. We expect to reuse adapters from earlier projects where possible.

3. Timeline and team

We estimate 22 weeks: 4 weeks design, 10 weeks build and test (integration dates TBC), 4 weeks pilot and 4 weeks rollout. The team will be led by a senior programme manager with 15 years of experience, supported by 6 consultants.

4. Commercials

S.No.	Description	Amount (INR)
1	ServicePoint licences, 850 agents, 3 years	4,50,00,000
2	Implementation and configuration	2,10,00,000
3	Annual maintenance and support (3 years)	90,00,000
	Total (excluding GST)	7,50,00,000

Integration effort beyond 40 person-days will be charged at INR 65,000 per person-day. Payment: 30% on signing, 40% at pilot, 30% at go-live.

5. Security and compliance

Northstar is ISO/IEC 27001 certified and ServicePoint holds a current SOC 2 Type II report. Hosting is in the customer's chosen cloud region, with EU data residency available as an option at extra cost. All staff sign NDAs and complete annual security training.

6. Support and references

Support is provided 24x7 through our Hyderabad service desk, with a 1-hour response for critical issues and a monthly service report.

Annexure A - Compliance with tender requirements

Req.	Requirement	Complied	Remarks
R1	Omnichannel ticketing	Yes	
R2	SAP S/4HANA integration	Yes	Details TBC in workshop
